RFQ Announcement

BRT Vehicle Operator Project

The Ministry of Investment (MoIN) announces the Invitation for Prequalification for the Bus Rapid Transit (BRT) Operator – Phase I, within the boundaries of the Greater Amman Municipality and between the cities of Amman and Zarqa.

Amman, September 22, 2025 – The Ministry of Investment (Public-Private Partnership Unit) invites qualified companies or consortia in the operation of public transportation systems to participate in the Request for Qualification (RFQ) for the operation of the Bus Rapid Transit (BRT) Project – Phase I, within the boundaries of the Greater Amman Municipality and between the cities of Amman and Zarqa.

Ministry of Investment seeks to select a private sector operator to contract with the Greater Amman Municipality (GAM) and implement the Project through a transparent and competitive tender process, in accordance with the provisions of the Jordanian Public-Private Partnership Law No. (19) of 2023, and in line with international best practices, where the Request for Qualification (RFQ) stage constitutes the initial phase of the tender process, and only applicants who are prequalified at this stage will be eligible to proceed to the final phase and receive the Request for Proposal (RFP) document.

In response to this Invitation for Prequalification, any party wishing to submit a pre-qualification application for the Project can formally purchase the RFQ document for a non-refundable fee of **JOD 1,000** by bank transfer. Please note the bank account details specified below:
