

MULTIFELT OWNS & OPERATES THE ONLY WOOL FELT MILL WITH A WIDE PRODUCT RANGE IN THE CEE REGION

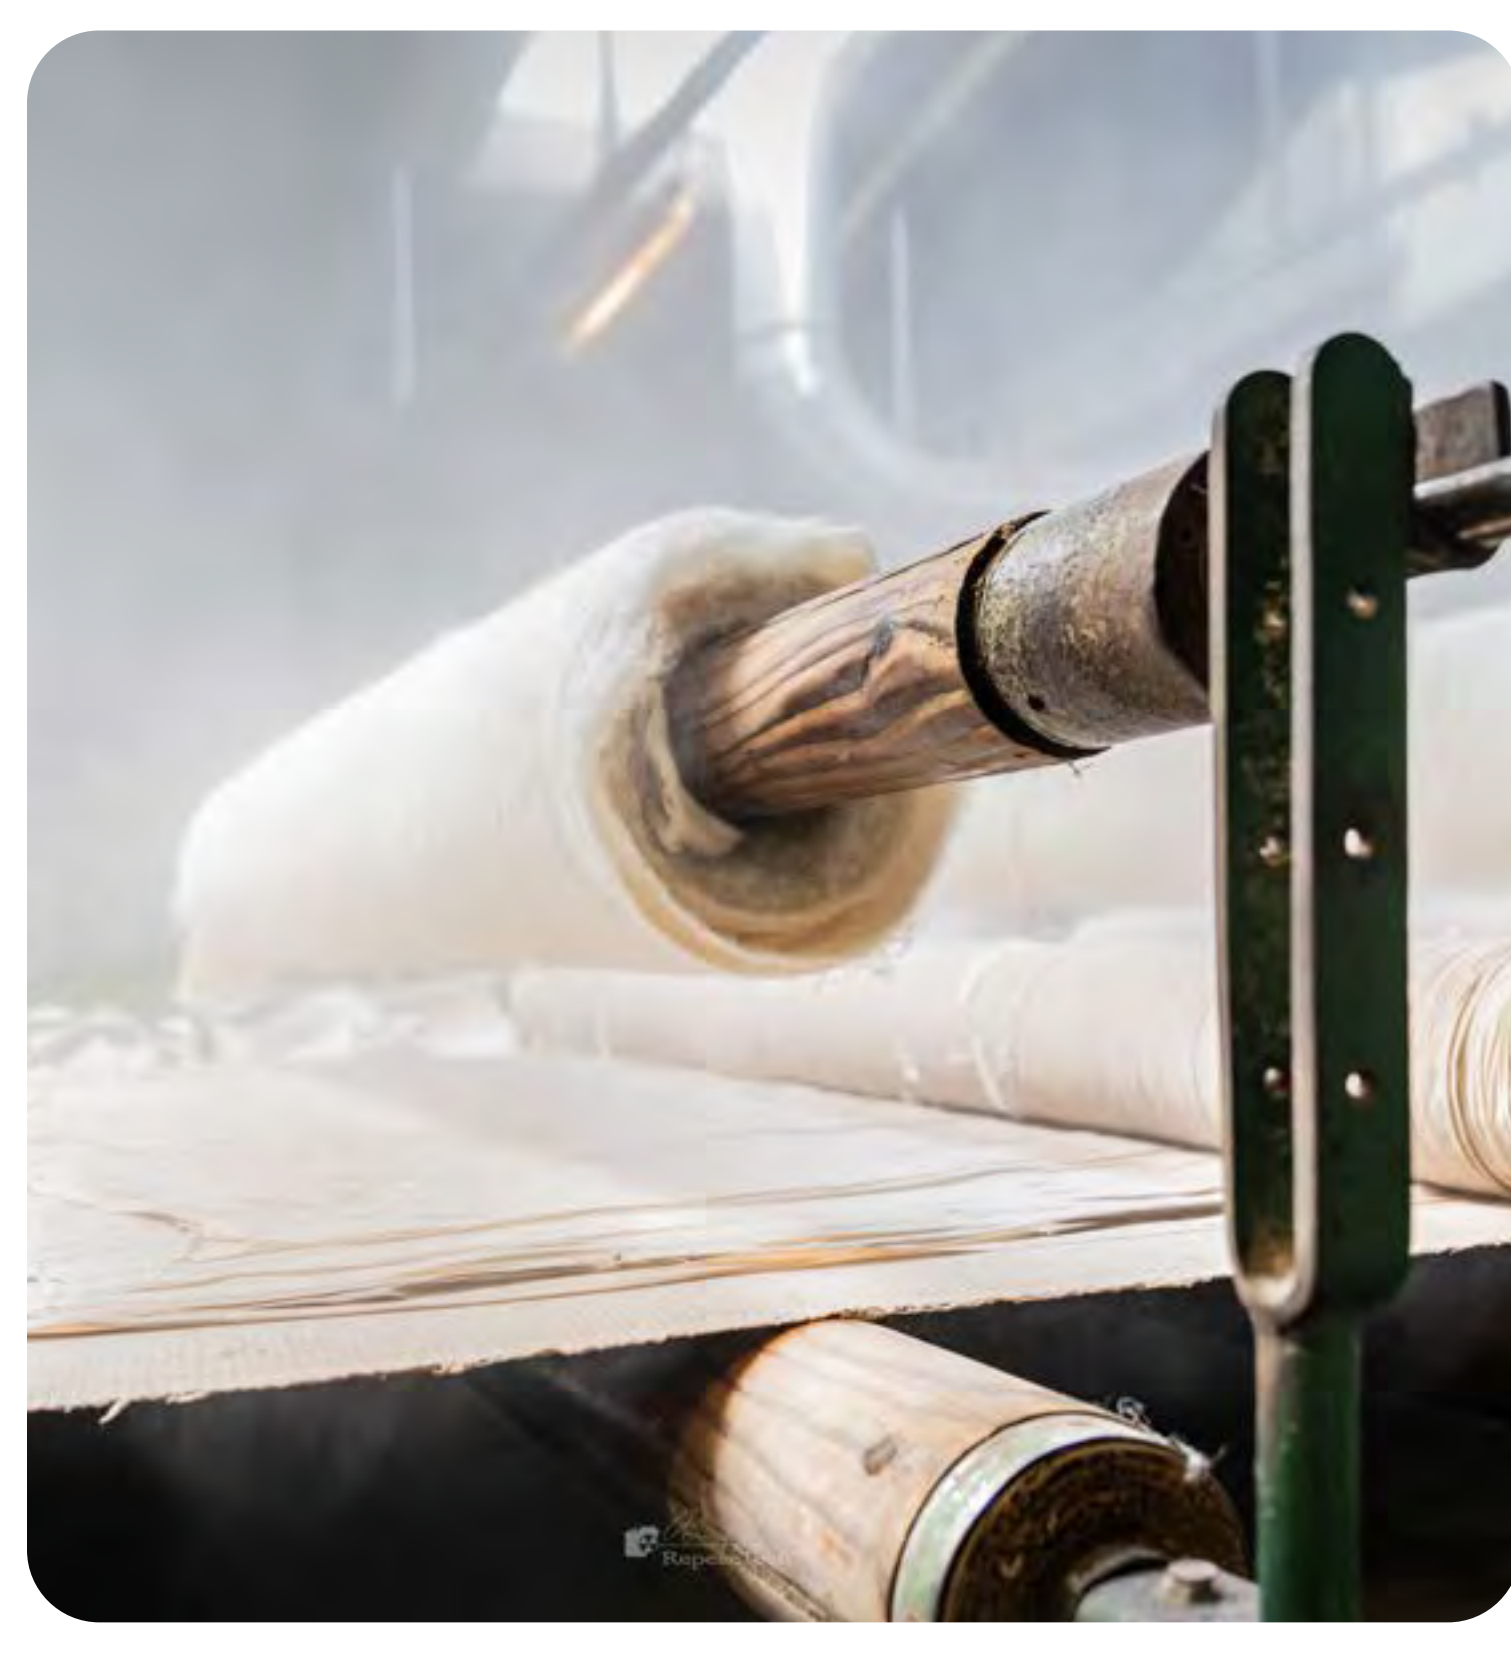

Our Factory was established in 1896 to produce wool felts with the traditional wet felting technology.

Our Vision is to be the most creative woolfelt mill in Europe and bring the best eco-friendly and unique woolfelt objects into people's life.

Our Mission is to become the market leader in the Hungarian wool felt market, to produce high quality standard and unique woolfelt products and to grow the production of more value-added products year by year.

OUR PRODUCTS RANGE FROM WOOLFELT IN ROLLES TO WOOLFELT-PRODUCTS

- woolfelt in rolles for design and industrial use
- woolfelt based acoustic & interior design products

WOOLFELT HAS EXCELLENT CHARACTERISTICS

Very good acoustic parameters

Very good insulation features

It is natural, ecofriendly, sustainable

It is variable, multifunctional

Can be tailor made

AWARDS & CO-OPERATIONS

- Design management special prize in Hungary in 2019.
- Multilevel co-operation with designers to create custom made wool felt products (unique and serial): carpets, wall panels, lamps, wool felt based decoration objects.
- Implementation of special office design projects planned by interior designers.

REFERENCES

- several fitout office buildings in Budapest (e.g. MasterCard, BP Agora, Daikin, Bosch, major telecommunication company)
