

GREEN ENERGY EXPO **ZAG REB**

ZAGREB 9-10 JUNE 2026

RENEWABLE HYDROGEN TECHNOLOGY

BATTERY STORAGE

RENEWABLE ENERGY SOURCES

NEW DATA CENTERS

NEW e - METHANOL

NEW SMR - SMALL MODULAR REACTOR

GREENENERGY

RENEWABLE HYDROGEN | BATTERY STORAGE | RENEWABLE ENERGY SOURCES

NEW: DATA CENTERS | e - METHANOL | SMR - SMALL MODULAR REACTORS

EXPO  ZAGREB

ZAGREB | 9-10 JUNE 2026

International Fair and Conference on Green Energy and Sustainable Development

DATE: 9 - 10 JUNE 2026

LOCATION: HOTEL WESTIN ZAGREB, CROATIA

www.greenenergyexpo.eu info@greenenergyexpo.eu

GREEN INNOVATIONS

An opportunity to showcase and explore the latest solutions and technologies in green hydrogen, solar energy, wind energy, battery energy storage, and waste to energy

EXPO - EXHIBITION & CONFERENCE

Closed and open exhibition space for the presentation of equipment, devices, and vehicles powered by renewable and green energy sources

LECTURES BY LEADING EXPERTS

Lectures and panel discussions with leading experts who will share their knowledge on the future of green energy and sustainable development

B2B AND NETWORKING

Connect with designers, investors, experts, and industry leaders at B2B meetings and presentations

PROMOTION & VISIBILITY

Become an active participant in the green sector today and secure your promotion and visibility

RENEWABLE HYDROGEN TECHNOLOGY

**GREEN
ENERGY
EXPO** ZAG
REB
ZAGREB 9-10 JUNE 2026

Join us at the GREEN ENERGY EXPO ZAGREB and explore the future of sustainable energy! Connect with innovators, discover **RENEWABLE HYDROGEN TECHNOLOGIES** breakthroughs, and help shape a cleaner, greener planet.

RENEWABLE HYDROGEN TECHNOLOGIES EXPO & CONFERENCE

-  H₂ powered vehicles (cars, buses and trucks)
-  H₂ production equipment
-  H₂ electrolyzers
-  H₂ fuel cells
-  H₂ storage tanks
-  H₂ generators

-  Expert panels on renewable H₂ technologies
-  Innovation showcases shaping the energy sector
-  Networking with industry leaders
-  Solutions for sustainability and CO₂ reduction

SMR – SMALL MODULAR REACTORS

NEW

**GREEN
ENERGY
EXPO** ZAG
REB
ZAGREB 9-10 JUNE 2026

Join us at the GREEN ENERGY EXPO ZAGREB and explore the future of **SMR - SMALL MODULAR REACTORS**. Connect with innovators, discover breakthroughs, and help shape a cleaner, greener planet.

What to Expect at **SMR** Expo?

Expert panels on the latest **SMR** technologies, safety features, and market potential

Innovation showcases of modular reactor designs driving the future of nuclear energy

Networking with top industry professionals, policymakers, and energy innovators

Practical insights on how SMRs contribute to carbon reduction and energy security

At the **SMR** Conference & Expo, you'll become part of a global movement shaping the next generation of nuclear technology—advancing clean, safe, and reliable energy for a sustainable tomorrow.

DATA CENTERS

NEW

**GREEN
ENERGY
EXPO** ZAG
REB
ZAGREB 9-10 JUNE 2026

Join us at the GREEN ENERGY EXPO ZAGREB and explore the future of sustainable **DATA CENTERS**. Connect with innovators, discover breakthroughs in energy-efficient infrastructure, and help shape a cleaner, greener digital world.

What to Expect at **DATA CENTERS** Expo?

-  Expert panels on green **DATA CENTER** technologies, cooling solutions, and renewable integration
-  Innovation showcases of smart infrastructure powering the digital economy
-  Networking with top industry professionals, IT leaders, and energy experts
-  Practical insights on reducing energy use, lowering carbon footprints, and boosting resilience

BATTERY STORAGE

Join us at the GREEN ENERGY EXPO ZAGREB and explore the future of **BATTERY STORAGE** technologies. Connect with innovators, discover next-generation storage solutions, and help shape a cleaner, greener, and more resilient energy system.

What to Expect at **BATTERY STORAGE** Expo?

-  Expert panels on battery innovations, grid integration, and market opportunities
-  Innovation showcases of advanced storage systems powering renewable energy growth
-  Networking with top industry professionals, investors, and technology leaders
-  Practical insights on improving efficiency, reducing costs, and enabling energy independence

RENEWABLE ENERGY SOURCES

**GREEN
ENERGY
EXPO** ZAG
REB
ZAGREB 9-10 JUNE 2026

Join us at the GREEN ENERGY EXPO ZAGREB and explore the future of **RENEWABLE ENERGY SOURCE**. Connect with innovators, discover cutting-edge clean energy solutions, and help shape a sustainable tomorrow.

What to expect at **RENEWABLE ENERGY SOURCE** Expo?

-  Expert panels on solar, wind, geothermal, and biogas technologies
-  Innovation showcases of breakthrough solutions transforming the energy landscape
-  Networking with industry leaders, researchers, and policymakers
-  Practical strategies to accelerate the transition to a low-carbon economy

What to Expect at **RENEWABLE ENERGY EXPO**?

Be part of a global movement advancing solar, wind, geothermal, and biogas energy - driving energy independence, reducing carbon footprints, and building a greener, more resilient future.

GREEN ENERGY EXPO ZAGREB 2026

Hotel Westin, Zagreb, Croatia
9 - 10 June 2026
