FIA, GATEWAY TO GLOBAL TRADE AND INVESTMENT IN NORTH AFRICA

The **Algiers International Fair 2024** is a cornerstone event for businesses aiming to expand their global reach and explore opportunities in the Algerian market.

With diverse industry representation, strong international participation, and numerous networking opportunities, FIA 2025 promises to be a key event for fostering economic cooperation, promoting investment, and driving trade growth.

HIGHLIGHTS OF FIA 2025

1

International Pavilions

Countries from around the globe will be set up in international pavilions to showcase their products, services, and innovations. This year, there will be an increased participation from Europe, Asia, the Americas, and Africa.

2

Business-to-Business (B2B) Meetings

FIA 2025 offers dedicated spaces and platforms for B2B meetings, allowing companies to discuss partnerships, deals, and collaborations in a professional environment.

3

Conferences and Workshops

In addition to the exhibition, there will be conferences and expert-led workshops discussing major economic trends, investment opportunities, and challenges across various sectors.

4

Startup Zone

FIA 2025 will continue to support innovation and entrepreneurship by featuring a special section for startups, where emerging companies can present their innovations and network with potential investors.
